Dear Cathy,
 We had F.C. together
 this time. Last time
 it was English.
 Maybe next time it'll
 be both. I hope so.
 Anyway! Best of
 luck and best wishes
 for a fine senior year
 to a darling girl.

Dear Cathy,

I just want you to know that I expect you to
 stand by your decision to abstain from a certain product.
 Seriously, if you can quit, it's good. Good luck trying. By
 the way, next time you do a history term paper, make
 sure the footnotes are for real. I also hope that
 all your problems will be resolved and you will be
 on good terms with your inner self. Just remember
 don't get so excited and learn to control your
 emotions.

Throughout the years FLIGHT has changed in many ways. This year's FLIGHT has been established through a new technique which will present an exciting appearance. The FLIGHT Staff has related this year's annual with the city. We feel that this theme will be exciting and different.

The city is filled with many types of people, each working for different reasons. It is like our school where the students are working toward bettering their future. We have grown up in this city; it is our home. It has given us an opportunity to realize and accept responsibilities that will benefit our lives. We present you FLIGHT, 1965.

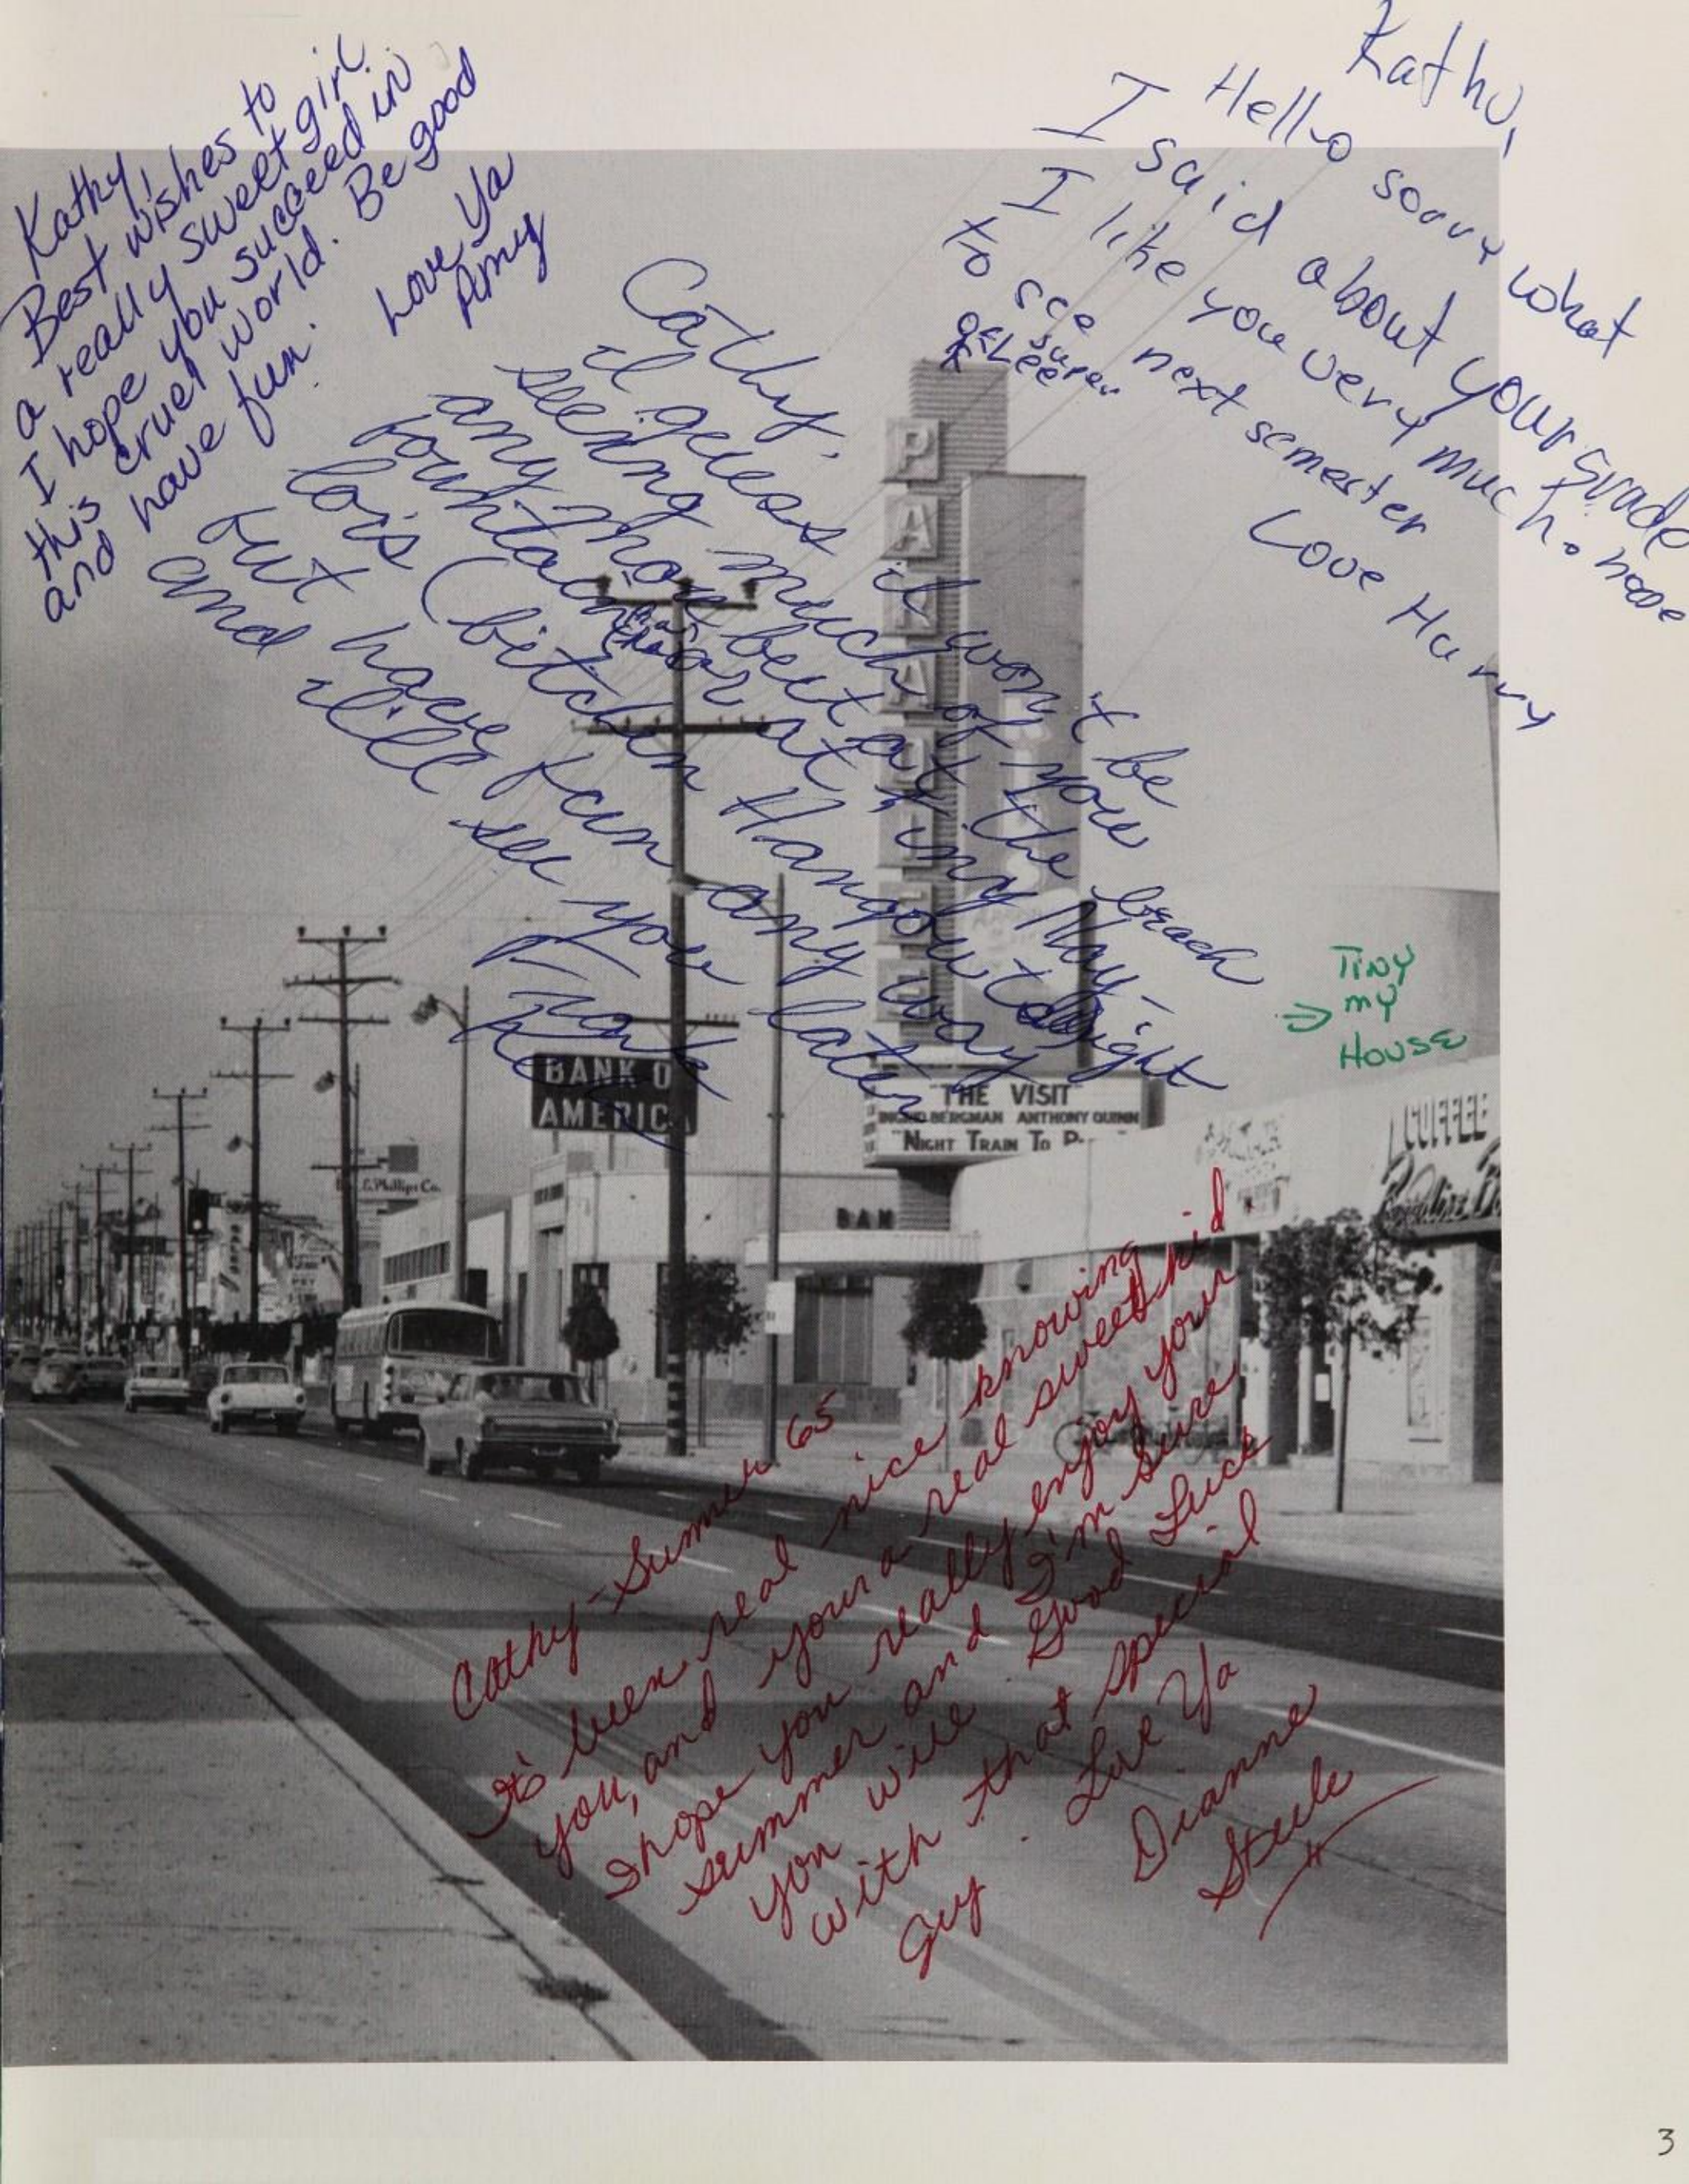

...The City.

*Cathy - sorry you
didn't get that "B"
in history - you de-
served it (Anybody who
does a term project deserves
a B!) I wonder what
you what look like in Red
hair! (?) Enjoy a smilin'
summer and have fun
with what's-his-name (your
Boy friend)
- Bob Casner S'66
(I hope)*

*Cathy I have
been so many good
times we've shared the
I couldn't write all of
them in this book. Of
course a few bad heartaches
but we've forgotten about those
our friendship will
continue throughout
the years to come.
Love, Betsy*

Thinking about the changes in our city and especially in our community of Westchester over the last twenty-five years brings to mind the transition of this area from open bean fields to a fine residential community with stores, schools, offices, and other facilities that contribute to the comfort and convenience of our existence. With this change have come the development of the International Airport into one of the largest and finest in the world, surrounded by many new high-rise hotels and office buildings, and a trend in the community toward building fewer single-family homes and more multiple units, many in the luxury class. To these changes has been the new Marina del Rey Yacht Harbor with its inevitable developments in business, industry, and housing. This has been an exciting time to have lived in this era; the future promises to be even more challenging. We hope that as individuals and as a school, we may continue to contribute to the development of this community's prominence and importance in the greater city of Los Angeles.

THE 1964 FOOTBALL SEASON WAS A TRULY GREAT ONE FOR WESTCHESTER HIGH. OUR MIGHTY COMET DEFENSE SET A CITY RECORD BY ALLOWING ONLY SIX POINTS TO ALL OPPONENTS IN WESTERN LEAGUE COMPETITION! AFTER DEFEATING THIS YEAR'S CITY CHAMPIONS, GARDENA, 33-32, IN ONE OF THE MOST THRILLING GAMES OF THE YEAR, WESTCHESTER REELED OFF FIVE STRAIGHT VICTORIES AND WAS RANKED HIGHLY AS ONE OF THE CITY'S BEST TEAMS. BUT THE COMETS MET A FIRED UP VENICE TEAM AND LOST A HEARTBREAKER, 6-2, AND THE LEAGUE CHAMPIONSHIP. OUR COMET TEAM FINISHED OUT THE YEAR BY CRUSHING HOLLYWOOD AND PALISADES, 32-0 AND 48-0 RESPECTIVELY. WESTCHESTER PLACED VANCE ADELMAN, FRED LUKE AND ANDY GERASIMOU ON THE FIRST TEAM ALL LEAGUE, AND BRIAN ASHLEY, LEONARD MOGNO, GREG MIMM TO THE 2ND TEAM ALL LEAGUE. VANCE ADELMAN RECEIVED THE HIGH HONOR OF MAKING 3RD TEAM ALL CITY. MUCH OF THE CREDIT FOR THIS YEAR'S SUCCESS GOES TO OUR FINE COACHES, MR. YOUNG AND MR. BRUBAKER, WHO HAVE BUILT WESTCHESTER INTO A POWERHOUSE OF THE WESTERN LEAGUE.

Dear Kathy,
I want to write something special for you. You see I feel the same way you do. I know we both screwed up our lives over people that weren't worth it. I'm older than you & should have known better but that's the way I am. Now that I am moving and graduating I hope we can still keep in contact and be friends. May your senior year be as fun & exciting as mine was. You are very sweet and I love you.

Kathy -
Best of luck
to a really sweet,
and darling person.
Have alot of fun this
summer. Hope I see
you next semester. So
totally love you
Coryle Strong

nothing will
be possible here in
the mid west. I would
never have thought the poor
man would get to see you.
The St Louis papers
don't mention it.
and just another
of my friends
summer

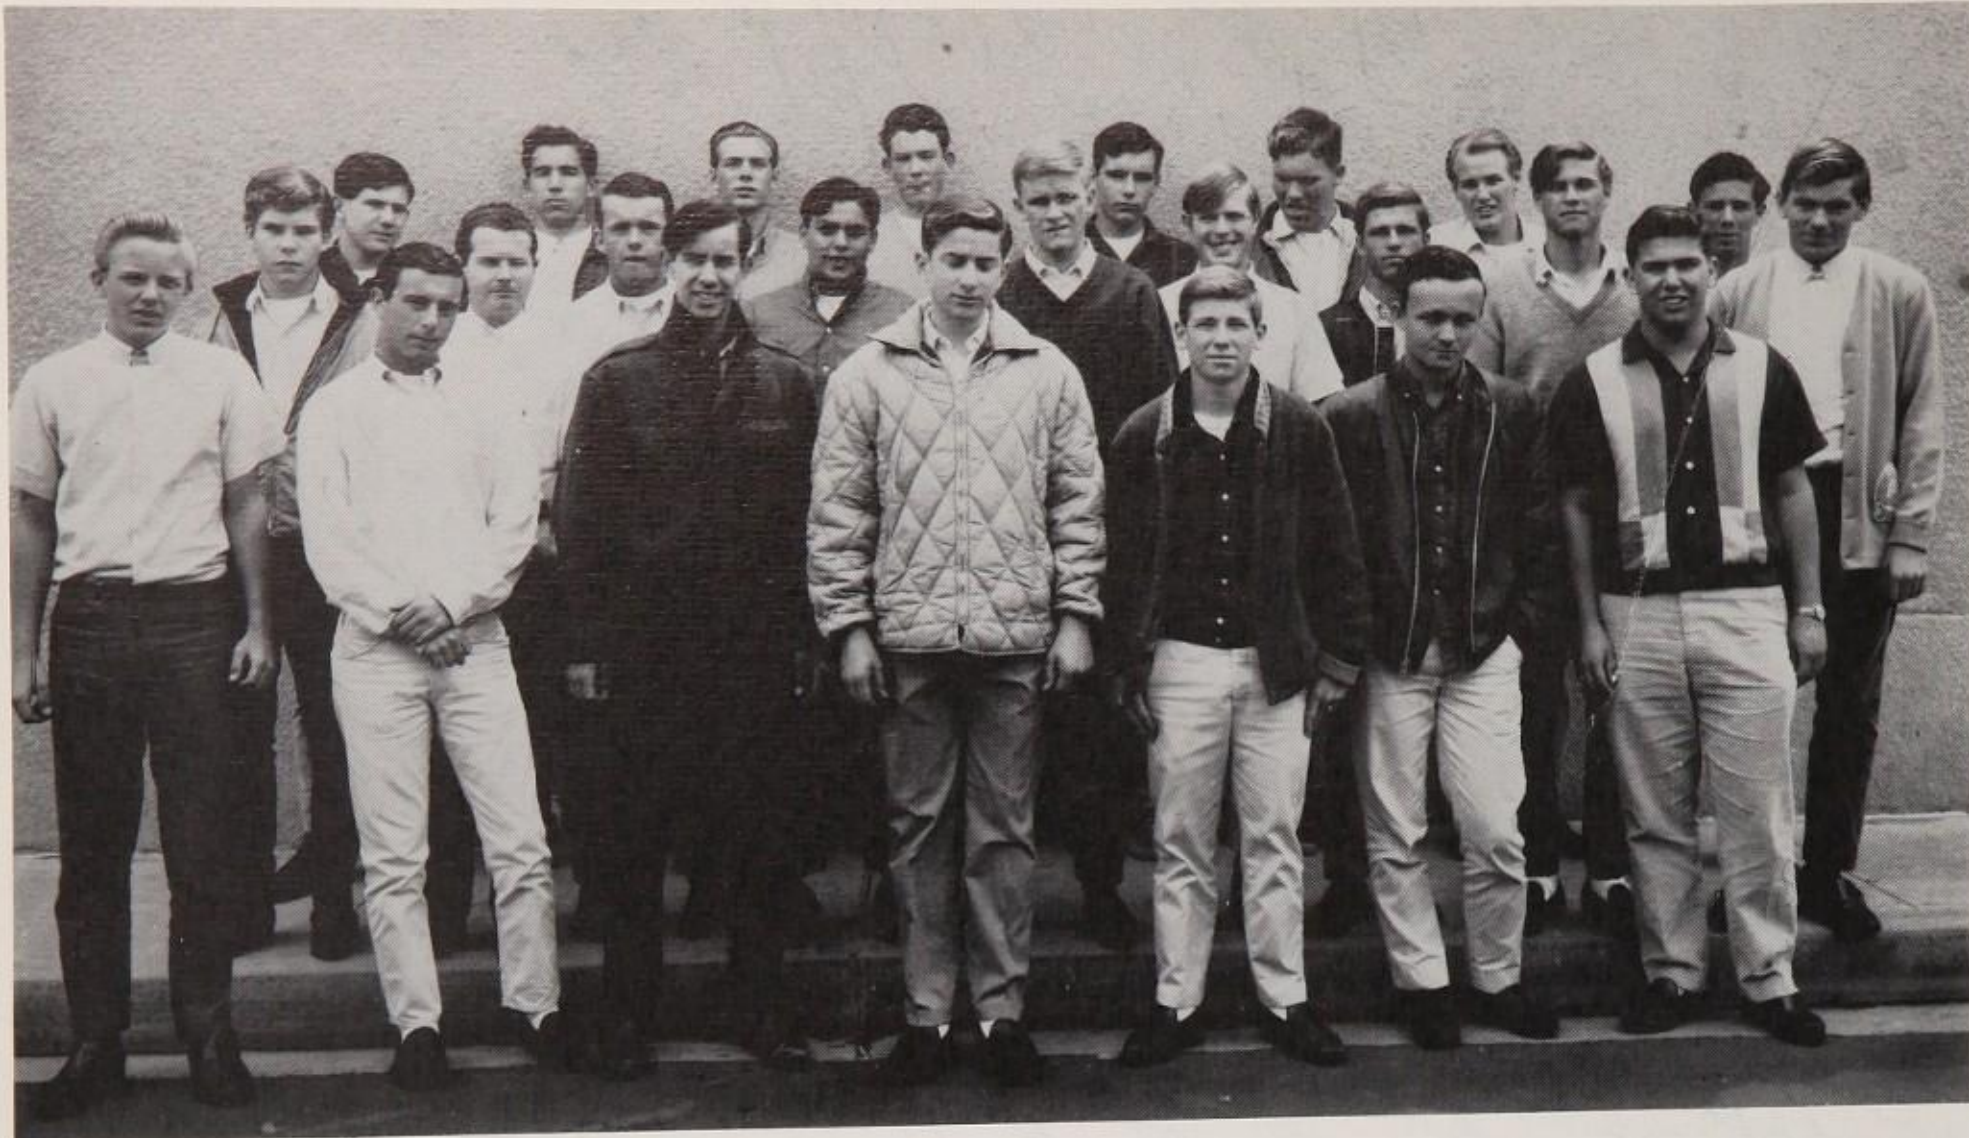

Cathy -
 Lots of good luck to a sweet
 young lady who has far to go
 before she steps out into the
 cruel world. You really got the
 "clipped" in History. (oh, that's sick)
 Have a bitchin summer & try not
 to rape any guys like last summer.
 Your friend + mine

The Last Word

The sun has set; light has faded from the scene. Families have retired for the evening and will spend it in the quiet of the night. The beaches are bare and the waves rustle wisps of sand from their serene throne of mystery. For many, the blackness heralds Life's entrance; for others it is just the eventide.

FLIGHT '65 has now come to its close. It signifies a sunset to the high school career of the graduating Spartans and Meneleans, but, in essence, it is only the dawning of a far-reaching journey into the vast scopes of life. They will embark from Westchester High and each will command his own instrument of conveyance to the exploit he is bound for; Some will brake at a school of further learning while others will enter the rush of traffic only to find many stop signs on the way that decelerate the speed and make the long drive wearing and delayed. And, yet, others will find their home on a street in the city where the parking is abundant and the coming and going easy.

FLIGHT '65 has seen the city in its splendor; by and by, our fellow graduates will see it in reality, holding a massive future in store for them.
